

# ULTRAglaze™

Inspired by the top European design houses, **ULTRAglaZe** doors and panels offer Interior Designers and Architects a new dimension in creating kitchens and rooms of breathtaking beauty. The lustrous mirror-like ultra high gloss finish captures the light and surrounding reflections.

**ULTRAglaZe** provides, seamless lines that are enhanced when combined with sleek line solid aluminium, matching gloss or even with a contrasting glass bead finish. With an unsurpassed gloss level, the result is stunning.

# ULTRAglaZe™

## DOORS and PANELS

### Setting a High Standard

**Borg Manufacturing** has been designing and manufacturing doors and panels of exceptional quality, craftsmanship and value for over 20 years.

Now, their European inspired **ULTRAglaZe** range, takes kitchen and interior design to a new level of sophistication and design.

### Features include:

- Mirror-like high gloss finish
- Colour fade & UV resistant, surpassing Australasian Standards
- Easy cleaning and maintenance
- Technologically advanced sealed product preventing bacteria

### Health and Environment:

All components of an **ULTRAglaZe** product are virtually emission and VOC (Volatile Organic Compound) free, especially when compared to traditional painted doors. **ULTRAglaZe** utilises EO MR MDF.

**ULTRAglaZe** is the perfect choice for today's environmentally conscious customers, giving them assurance they are safe from exposure to toxic emissions within the home or work place.

# Colour Range

## Whites & Solid Colours

**ULTRAglaze** solid colours have a superior high gloss or matt surface finish. See our website for colour options.

Our range of elegant colours give you a variety of beautiful options designed to compliment your home's colour scheme. From the delicate beauty of the pristine white in Arctic Ice, to the richness of Wild Cherry, there is a colour that will turn your new kitchen into one of astonishing elegance.

## Metallic Finish

**ULTRAglaze** metallic gloss colours have a superior high gloss surface with a brilliant metallic pearlescent feature.

## ULTRAglaze technical

**ULTRAglaze** is a 1mm thick acrylic pressed using PUR technology onto moisture resistant, low emission (EOMR) MDF. 7 year limited warranty against delamination and UV discoloration is provided.

See our website [www.ultraglaze.co.nz](http://www.ultraglaze.co.nz) for Care & Maintenance guide and further technical information.
